Sir:

**SUPPLEMENTAL PETITION FOR EXTENSION OF TIME**

Applicants NAGARAJA, et al, through their attorneys, hereby petition to correct the fee paid on July 26, 2006, for extension of time under 37 C.F.R. 1.136(a) for a 3-month extension of time in which to file a response to office action of January 27, 2006. The correct amount due for a large entity was \$1,020.00 and was timely present due to authorization in the previous petition stating that any additional fee due in connection with the petition should be applied against our Deposit Account No. 50-2790, and therefore, the patent application is not abandoned. We enclose a copy of the previous petition herewith for reference, marked as Exhibit A. It recently came to our attention that the extra \$510.00 was never applied against our deposit account as requested. We ask that this supplemental petition serve as a means of correcting this issue. Therefore, pursuant to 37 C.F.R. 1.17, we authorize charging the difference in the extension fee of \$510.00 to a credit card, authorization enclosed herewith, for the 3-month fee at the large entity rate.

Any additional fee which is due in connection with this Petition should be applied against our Deposit Account No. 50-2790.

Respectfully submitted,
